Launched in August 2015, Second Hope is the only UK charity specifically for those living with advanced breast cancer. Its mission is to provide hope and strength by raising awareness, providing support and funding research into advanced breast cancer. The charity is run purely by volunteers, which means that all donations received go to fulfil our charitable aims and objectives, not to pay salaries or expensive overheads. Find out more at www.secondhope.org.uk

GIFT AID your sponsorship and help us claim from the government an extra **25p for every £1** you give. Imagine what a difference that could make **and it doesn't cost you a penny!**

I confirm I have paid or will pay an amount of Income Tax and/or Capital Gains Tax for each year (6 April to 5 April) that is at least equal to the amount of tax that all the charities or Community Amateur Sports Clubs (CASCs) that I donate to will reclaim on my gifts for that tax year. I understand that other taxes such as VAT and Council Tax do not qualify. I understand the charity will reclaim 25p of tax on every £1 that I give during the tax year.
